PREAMBLE

We, the members of the Purple Valley Coffee Club, striving to increase coffee awareness, interest, and flavor in the Williams College community. This is to educate students, faculty, and staff about how to make coffee taste great through a variety of brewing methods.

ARTICLE I - Name and Brief Description

The Purple Valley Coffee Club is a community around brewing. We will have weekly meet ups to brew together and learn new methods of brewing with the various devices that our group has collected. ARTICLE II - Purpose

The Purple Valley Coffee Club seeks to expose students, faculty, and staff - regardless of experience - to new methods of production, different styles of beans, and some basic chemistry related to production.
